Fee for payments returned by banks – The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee. If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.
